He is accompanied by Mrs. Patterson. Arrival of Steamship Peruvian from Liverpool.
FATHER POINT, Oct. 20.—The steamship Peruvian, from Liverpool, 11th, via London, 12th, has arrived. Beyond complaint incident to improving reform, demand and speed of Bright; there is nothing of political moment from England.

The London Telegraph asserts that the state of affairs in Canada becomes every day less serious. The Emperor of Mexico has arrived at Trieste from Rome. A letter from Rome, Oct. 24, published in the Lyons paper, states that the Vatican while in Rome for the purpose of securing the sanction of the Pope to everything his husband does as Emperor of Mexico, which was at first positively refused. The writer of the letter does not state the result of her interview. She is reported to have told the Pope that she would not leave the Vatican unless her request was granted.

The evacuation of the fortresses of the quadrilaterals by the Austrians and their occupation by the Italians was progressing.

Obituary.
Died, at Edgewater, on the Hudson, a few days since, Mrs. SUSAN GASTON DONALDSON, the wife of Robert Donaldson, Esq., of -iches Co., New York.

Mrs. Donaldson was the eldest daughter of the late honored and well-remembered WILLIAM GASTON, of this State. She was one of the most accomplished and amiable women ever reared in North-Carolina. She was a devoted daughter, a beloved wife, and an affectionate mother. With truth can it be said, "she was of good understanding and beautiful countenance." Though residing on the distant Hudson, her heart was always with her native State. During the ensuing winter she contemplated a happy re-union with her numerous friends in North-Carolina. But Death has intervened, and she has passed to brighter spheres and higher rewards.

"Ye'er shall oblivion's darkling clouds Obscure her deathless praise."

Opinions of the Press.
The Louisville Journal says: "The testimonials which Dr. Gardner presents to the public could never have been obtained, except by the display of great skill and learning in the profession. One thing especially commendable in the Doctor's practice is, that he will not attempt an incurable disease for the sake of a fee, but frank tells the patient whether he can be cured or not. We cheerfully recommend Dr. Gardner to the attention of all our friends who may be suffering from diseases of the eye or ear."

The Richmond Times says: "We have no hesitation in saying that Dr. Gardner is the most scientific and successful eye and ear Surgeon in this country."

"Dr. Gardner's treatment of the eye and ear is wonderful."—Richmond Enquirer.

"We feel justified in recommending Doctor Gardner to those suffering from diseases of the eye and ear."—Richmond Whig.

"We can safely and cordially recommend Dr. Gardner, who will fulfill all he undertakes to perform."—Baltimore Clipper.

The New Orleans True Delta says: "We can safely recommend Dr. Gardner as a successful operator on the eye and ear. He will not undertake to treat a case unless a cure can be effected."

Reduction in Price of the American Watches.
MADE AT WALTHAM, MASSACHUSETTS.
In consequence of the recent great improvements in our facilities for manufacturing we have reduced our prices to as low a point as they can be placed.

WITH GOLD AT PAR,
so that no one need hesitate to buy a watch now from the expectation that it will be cheaper at some future time. The test of ten years and the manufacture and sale of

More than 200,000 Watches
have given our productions the very highest rank among time-keepers. Commencing with the determination to make only thoroughly excellent watches, our business has steadily increased as the public became acquainted with their value, until for months together, we have been unable to supply the demand. We have repeatedly enlarged our factory buildings until they now cover over three acres of ground, and give accommodation to more than eight hundred workmen.

We are fully justified in saying that we now make more than one-half of all the watches sold in the United States. The different grades are distinguished by the following trade-marks on the plate:

1. "American Watch Co." Waltham, Mass.
2. "Appleton, Tracy & Co." Waltham, Mass.
3. "P. S. Bartlett," Waltham, Mass.
4. "William Ellery."
5. Our Ladies' Watches, of first quality, is named "Appleton, Tracy & Co.," Waltham, Mass.
6. Our next quality of Ladies' Watch is named "P. S. Bartlett," Waltham, Mass. These watches are furnished in a great variety of sizes and styles of cases.

The American Watch Co., of Waltham, Mass., authorize us to state that without distinction of trade-marks or price,

ALL THE PRODUCTS OF THEIR FACTORY ARE FULLY WARRANTED
to be the best time-keepers of their class ever made in this or any other country. Buyers should remember that unlike the guarantee of a watchmaker who can never be reached, this guarantee is good at all times against the Company or their agents, and that if after the most thorough trial, any watch should prove defective in any particular, it may be always exchanged for another. As the American Watches, made at Waltham, Mass., are for sale by dealers generally throughout the country, we do not solicit orders for single watches.

Caution.—The public are cautioned to buy only of respectable dealers. All persons selling counterfeits will be prosecuted.

Cholera, Diarrhea, and Dysentery—A cure is warranted by Dr. Tobias' celebrated VENTRIAN LAXATIVE, if used when first taken by persons of temperate habits. This medicine has been known in the United States over 20 years. Thousands have used it, and found it never failed to cure any complaint for which it was recommended, and all those who first tried it, are now without it. In the cholera of 1849, Dr. Tobias attended 40 cases and lost 4, being called in too late to do any good.

DIRECTIONS.—Take a teaspoonful in a wine-glass of water every half hour for two hours, and rub the abdomen and extremities well with the Liniment. To attack the throat, take a lump of ice in the mouth about the size of a marble every ten minutes. It is warranted perfectly innocent to take internally. Sold by all druggists—price, 40 and 80 cents. Depot, 56 Courtland Street, New York.
